Dear Joel,

We are prepared to share with you the direction and indemnity agreement that will be required for an investor to direct USB to reject the JPM Settlement Agreement as it relates to *JPMAC 2006 WMC1*, *JPMAC 2006-WMC3*. As noted in our April 29, 2014 notice to holders, we ask that you agree to treat this agreement as highly confidential and only share it with your representatives with a need to know such information who are also subject to confidentiality arrangements. Please reply to this email confirming your agreement with respect to the confidential nature and treatment of the agreement.

Thank you for your patience regarding this matter.

Jim
