Re: *In the matter of the application of
U.S. Bank National Association, et al.*
(Index No. 652382/2014)

Dear Justice Friedman:

We represent petitioner U.S. Bank National Association in the above-referenced action. We hereby submit for the Court's review and entry a proposed Amended and Restated Stipulation and Order for the Production and Exchange of Confidential Information (the "Amended and Restated Confidentiality Order"), executed by counsel for all petitioners and respondents (Exhibit 1). This proposed Amended and Restated Confidentiality Order addresses the production of Nonpublic Personal Information and on this issue, tracks the language from the Court-approved confidentiality order in the coordinated RMBS putback and monoline cases pending in Part 60.

We have also enclosed a redlined version of the Amended and Restated Confidentiality Order which highlights modifications from the original Stipulation and Order for the Production and Exchange of Confidential Information, ordered by the Court on April 2, 2015, NYSCEF Doc. No. 345 (Exhibit 2).

We are available to address any questions or concerns the Court may have about the Amended and Restated Confidentiality Order.

Respectfully submitted,

Nina Yadava
