Hi,

I answered below. Your welcome and this is where the BPM of information is helpful but we did most of it so far. Just need to fine tune it.

Thanks

Be cautious with links and attachments – report suspicious emails.

I just want to be sure I understood your email, was notice mailed to the registered holders of GPMF 2005-AR5? **Yes this is sent out today.**

For DTC, they have already been notified and sent notice to the correct trusts, so there is no need to contact them again. **I understood that AR4 was on the list on the list AR5 would we not need to do both?**

For CTSLink, notice needs to be taken down from GPMF 2005-AR4 and notice needs to be added to GPMF 2005-AR5. **We did send to CTSLink but did not ask to take down AR4 we can do that.**

Let me know if you have any questions. Thanks Linda!
