Re: ***In re application of Wells Fargo Bank et al., Index No. 657387/2017***

I write on behalf of the various certificateholders who submitted a Proposed Partial Severance Order And Partial Final Judgment (the “Proposed Order”), and Notice of same (the “Notice”), on February 28, 2018 (Dkt. 232). Those documents inadvertently reference two trusts—BSARM 05-2 and BSARM 05-5—that have been terminated and are addressed in a separate proposed order submitted to the Court by US Bank (Dkt. 222). Attached to this letter are amended versions of the Proposed Order (Exhibit 1) and the Notice (Exhibit 3) that remove references to those two trusts, as well as redlines displaying changes made to the previous version of those documents (Exhibits 2 and 4, respectively, are the redline of the Proposed Order and the Notice). We apologize for any inconvenience and appreciate the Court’s consideration.

Respectfully submitted,

/s/ Stephen Schweizer
