Kevin,

If your clients, the institutional investors and any other parties considering moving will provide HBK with the unpaid principal balance of their bonds, the date they acquired the bonds, and the price they paid for the bonds, HBK will in exchange provide the same information to them.

Subject: Motion to Amend

John,

In order to prepare a response to HBK's motion to amend, I would like to know the following with respect to each of the HBK holdings listed on Exhibit E to your affidavit of May 16, 2018: The unpaid principal balance of HBK's bonds, the date HBK acquired the bonds, and the price HBK paid for the bonds. Is HBK willing to disclose any or all of this information under appropriate confidentiality restrictions?

Regards,

Kevin
