Dated: August 29, 2014

This notice (the “Notice”) is given to you by the RMBS Trustees under certain applicable Pooling and Servicing Agreements, Indentures, Servicing Agreements, Mortgage Loan Purchase Agreements, Assignment and Assumption Agreements and/or other agreements governing the Accepting Trusts and Loan Groups (the “Governing Agreements”). Capitalized terms used but not defined herein shall have the meanings assigned to them in the Governing Agreements.

## **BACKGROUND**

In a prior notice to Affected Certificateholders, dated August 1, 2014 (the “August 1 Notice to Holders”), the RMBS Trustees informed the Affected Certificateholders that on August 1, 2014, the RMBS Trustees notified JPMorgan Chase & Co. and its direct and indirect subsidiaries (“JPMorgan”) and a group of twenty-one (21) institutional investors (the “Institutional Investors”) that, following an evaluation process including consideration of expert reports, they have, among other things, (i) accepted the modified RMBS Trust Settlement Agreement between JPMorgan and the Institutional Investors, entered into as of November 15, 2013, and modified as of July 29, 2014 (the “Modified Proposed Settlement Agreement”), on behalf of the Accepting Trusts and Loan Groups for which each of them serves as RMBS Trustee, subject to Final Court Approval (as defined in the Modified Proposed Settlement Agreement) in a judicial instruction proceeding as set forth in Section 2.03(c) of the Modified Proposed Settlement Agreement and (ii) extended the Acceptance Date for the Modified Proposed Settlement Agreement on behalf of the Extended Acceptance Date Trusts and Loan Groups. In connection with the foregoing, the RMBS Trustees posted, among other things, (i) lists of the Accepting Trusts and Loan Groups and the Extended Acceptance Date Trusts and Loan Groups, (ii) a copy of the Modified Proposed Settlement Agreement, and (iii) a copy of the RMBS Trustees’ August 1 Notice to Holders on the RMBS Trustees’ website available at <http://www.rmbstrusteesettlement.com/notice.php>.

---

<sup>1</sup> Any CUSIP numbers appearing in this Notice or in its exhibits, schedules or attachments have been included solely for the convenience of Affected Certificateholders. The RMBS Trustees assume no responsibility for the selection or use of such numbers and make no representations as to the correctness of the CUSIP numbers appearing herein.

## CREATION OF A SERVICING ADVISORY COMMITTEE

Exhibit B to the Modified Proposed Settlement Agreement (the “Subservicing Protocol”) requires the RMBS Trustees to use commercially reasonable best efforts to form a committee (the “Servicing Advisory Committee”) comprised of Affected Certificateholders who collectively qualify as a servicing expert under the Governing Agreements, to advise the RMBS Trustees as to any consent, approval, or negotiation rights of the RMBS Trustees as set forth in the Subservicing Protocol. In connection with the foregoing, the RMBS Trustees provide this Notice to Affected Certificateholders and invitation to Affected Certificateholders with appropriate mortgage servicing expertise (“Qualified Certificateholders”) to apply for membership on the Servicing Advisory Committee.

Section 1 of the Subservicing Protocol requires each Affected Certificateholder applying to serve as a member on the Servicing Advisory Committee to identify such Affected Certificateholder’s employee who will sit on the Servicing Advisory Committee and such person’s expertise in the area of mortgage loan servicing. Therefore, any Affected Certificateholder that is interested in applying to become a member of the Servicing Advisory Committee must submit to the applicable RMBS Trustee(s) an executed copy of the membership application form attached hereto as **Exhibit C** (the “Membership Application Form”). The RMBS Trustees will accept and consider only those properly executed Membership Application Forms that include: (i) the identity of such Affected Certificateholder’s employee who will sit on the Servicing Advisory Committee; (ii) such person’s expertise in the area of mortgage loan servicing; and (iii) verification of such Affected Certificateholder’s holdings in one or more of the Accepting Trusts and Loan Groups and/or the Extended Acceptance Date Trusts and Loan Groups, *provided, however*, that any Membership Application Form submitted by an Affected Certificateholder of an Extended Acceptance Date Trust or Loan Group shall be considered only if and when the applicable RMBS Trustee accepts the Modified Proposed Settlement Agreement for such Extended Acceptance Date Trust or Loan Group. **All Membership Application Forms must be returned to the applicable RMBS Trustee(s) by no later than September 30, 2014.**

As provided in the Subservicing Protocol, (i) the Servicing Advisory Committee shall consist of no more than seven members; (ii) if more than seven Qualified Certificateholders apply to serve on the Servicing Advisory Committee, the RMBS Trustees shall select seven members based on the applicants’ expertise in mortgage loan servicing with due regard for equitable representation of the Settlement Trusts (as defined in the Modified Proposed Settlement Agreement); (iii) members of the Servicing Advisory Committee may not delegate their membership to any alternate person or institution, and the RMBS Trustees will fill any vacancy on the Servicing Advisory Committee due to resignation or otherwise as they determine to be appropriate upon notice to Affected Certificateholders; (iv) members of the Servicing Advisory Committee will elect a chairperson, who shall serve as the Servicing Advisory Committee’s spokesperson; (v) the Servicing Advisory Committee shall act by majority vote; and (vi) members of the Servicing Advisory Committee shall not be entitled to compensation for their services and shall be required to enter into a nondisclosure agreement in a form acceptable to the RMBS Trustees to protect against the disclosure or misuse of non-public information. As further provided in the Subservicing Protocol, the Servicing Advisory Committee shall be deemed to be an expert for purposes of the applicable Governing Agreements and its advice shall be full and complete authorization and protection in respect of any action taken or suffered or

omitted by the RMBS Trustees under the Subservicing Protocol in good faith and in accordance with such advice.

If for any reason the RMBS Trustees are unable to form a Servicing Advisory Committee of Affected Certificateholders who collectively qualify as a servicing expert under the applicable Governing Agreements or the Servicing Advisory Committee shall cease to function or its members shall collectively cease to qualify as a servicing expert under the applicable Governing Agreements, nothing in the Subservicing Protocol shall impair any right the RMBS Trustees may have under the Governing Agreements, or otherwise to retain one or more experts to advise them as to their consent, approval or negotiation rights under the Subservicing Protocol; *provided, however*, that nothing in the Subservicing Protocol shall be construed to imply that JPMorgan has any obligation to pay for the costs of any such expert under the applicable Governing Agreements or otherwise.

## **OTHER MATTERS**

This Notice is not a summary of the Modified Proposed Settlement Agreement or other documents the RMBS Trustees have posted on the JPM Proposed Settlement Website (as defined below) or a summary or statement of relevant law or of relevant legal procedures. Affected Certificateholders and other potentially interested persons are urged to carefully consider the implications of applying to become a member of the Servicing Advisory Committee, and to consult with their own legal and financial advisors. This Notice and any further notices with respect to the matters addressed herein will be made available at: <http://www.rmbstrusteesettlement.com/notice.php> (the “JPM Proposed Settlement Website”). Affected Certificateholder inquiries regarding the matters set forth in this Notice may be directed to the applicable RMBS Trustee using the contact information of such RMBS Trustee available at: <http://www.rmbstrusteesettlement.com/rmbscontact.php>.

Affected Certificateholders and other persons interested in the RMBS Trusts should not rely on the RMBS Trustees, their counsel, experts or other advisors retained by the RMBS Trustees, as their sole source of information.

Please note that this Notice is not intended and should not be construed as investment, accounting, financial, legal, tax or other advice by or on behalf of the RMBS Trustees, or their directors, officers, affiliates, agents, attorneys or employees. Each person or entity receiving this Notice should seek the advice of its own advisors in respect of the matters set forth herein.

Please be further advised that, subject to the terms of the Tolling and Forbearance Agreement (as defined in the Modified Proposed Settlement Agreement) and Modified Proposed Settlement Agreement (as applicable), each of the RMBS Trustees reserves all of the rights, powers, claims and remedies available to it under the Governing Agreements and applicable law. No delay or forbearance by an RMBS Trustee to exercise any right or remedy accruing upon the occurrence of a default, or otherwise under the terms of the Governing Agreements, other documentation relating thereto or under applicable law, shall impair any such right or remedy or constitute a waiver thereof or acquiescence therein.

Each of the RMBS Trustees expressly reserves all rights in respect of each applicable Governing Agreement, including without limitation its right to recover in full its fees and costs (including, without limitation, fees and costs incurred or to be incurred by such RMBS Trustee in performing its duties, indemnities owing or to become owing to such RMBS Trustee, compensation for such RMBS Trustee's time spent and reimbursement for fees and costs of counsel and other agents it employs in performing its duties or to pursue remedies) and its right, prior to exercising any rights or powers in connection with any applicable Governing Agreement at the request or direction of any Affected Certificateholder, to receive security or indemnity satisfactory to it against all costs, expenses and liabilities which might be incurred in compliance therewith, and all rights that may be available to it under applicable law or otherwise.

Please be advised that with respect to any particular inquiry from individual Affected Certificateholders, an RMBS Trustee may conclude that a specific response to such inquiry is not consistent with requirements under applicable law and regulation of equal and full dissemination of information to all Affected Certificateholders.
