**Re: In re Wells Fargo Bank, National Association, et al., Petitioners, For
Judicial Instructions under CPLR Article 77 on the Administration
and Distribution of a Settlement Payment, No. 657387-2017.**

Dear Justice Friedman:

We represent Olifant Fund Ltd., FFI Fund Ltd. and FYI Ltd. (the “Olifant Funds”) in the above-captioned action and respectfully request leave for the Olifant Funds to file, no later than January 29, 2018, an expanded response to the Petition together with any supporting papers, not to exceed 25 pages.

Good cause exists to expand the page limit for the Olifant Funds’ submission from 15 double-spaced pages to 25 double-spaced pages. The Petition devotes approximately 29 double-spaced pages to discussion of these issues, not including the request for escrow arrangements pending distribution. The Olifant Funds hold certificates in multiple trusts that are subject to this Article 77 proceeding and intend to file a single submission for all of their holdings. Moreover, the Olifant Funds have an interest in and plan to state their position on several of the various issues raised by the Petition. These complicated issues require more than 15 double-spaced

pages of discussion, and a modestly expanded submission will assist the Court in adjudicating the issues presented by the Petition.

On a January 10, 2018 phone call, the Court, through the Part 60 clerk, authorized the filing of this letter. We have conferred with counsel for Petitioners, and no Petitioner opposed this request.

Respectfully submitted,

/s/ Peter W. Tomlinson
